Lathrop — More than 400 bikers are expected to ride through the Sierra foothills in support of hospice services in the Central Valley on Saturday, July 25, from 8:00 a.m. to 4:00 p.m. The 100-mile poker run and rally to benefit Hospice of San Joaquin and Stanislaus based Community Hospice is organized by the San Joaquin unit of the California Trucking Association with all proceeds supporting terminally ill patients and their families in the Central Valley.
